A handwritten signature in blue ink, appearing to read 'Carolina Mari', written over a horizontal line.

Fdo: Carolina Mari

06-05-2024

Contenido del curso:

The objective of the course is to share the experience of company creation and management.

Training Content:

Explore entrepreneurship through the lens of Irene Marco - Junior Group Leader of the Molecular Imaging for Precision Medicine Group, and Maria Alejandra Ortega - PhD & Co-Founder, COO/CTO Vitala technologies S.L

Gain practical strategies and insights from cutting-edge research to navigate the entrepreneurial landscape effectively.

The session will be interactive, allowing for questions and answers.
